### Letter of Recommendation

To whom it may concern:

I am pleased to write a letter of recommendation for Tafadzwa Chuchu. She was my student in the Data Analysis Training Program for the past four weeks, and I believe that I am in a solid position to recommend her.

As her tutor, I have had an opportunity to observe her participation and interaction in class and to evaluate Tafadzwa's knowledge of the subject matter. She is an outstanding student in all respects. Tafadzwa has proven that through hard work, follow-through, and teamwork, she can accomplish tasks in a courteous and timely manner. Tafadzwa is well equipped to grow from the challenges that she is presented with. Her proactivity, good staging, and fast learning skills prepare her beautifully for your organization.

I strongly endorse making Tafadzwa a member of your team.

Sincerely,

Renato Pavlekovic  
Data Analysis Tutor
